CULTURAL SALAD

Just like a salad is made of many different components, so is our culture.

What different parts make up your culture?

- ★ Where were you born?
- ★ Where were your parents born?
- ★ Your religion?
- ★ Your beliefs?
- ★ Your experiences?
- ★ Favorite foods?
- ★ Holiday traditions?

CULTURAL SALAD

The ingredients of your salad will represent the different culture traits that make up who you are.

CULTURE SALAD PROJECT

- Draw your salad bowl and label it with your name.
- Draw your ingredients/vegetables/fruits and label them with the different parts from your culture list.
- You should have at least 9 “ingredients” (culture traits). You may add more details if you would like. You can even create your own salad dressing to go with it!
- Color your salad.
